- **Song of Celebration**

Cue up "[Child of God](#)" by [TruWorship](#). Say, "We know that God saves. He saved the people in the boat, He saved Jonah, and He saves us! Let's celebrate God because He saves. Let's sing a song to Him!" Have fun worshiping and celebrating!

- **Should We Run Away?**

Make a circle on the floor with masking tape and have your family join you around it. Say, "God asked Jonah to go and tell people about Him. Did Jonah obey God? No, he ran away. We're going to play a game. When I say, "run," you'll run around the circle. When I say, "stop," you'll stop running. Then, I'll ask you to do something else. Let's practice listening." Include other actions such as crawl, skip, hop, walk, or sing.

- **Fishy Snack**

Tie a fun snack into your lesson! Gather graham crackers, blue frosting and fish-shaped crackers. Demonstrate how to spread frosting on the graham crackers and then add fish crackers to the blue "sea." Say, "In The Big God Story, the people on the boat threw Jonah off the boat and into the sea. A big fish came and swallowed him. Let's eat this yummy snack as we remember that our God saves!"

Blessing:

Read **Galatians 3:26**

So in Christ Jesus you are all children of God through faith.

(Child's name), our God saves. May you know He is always with you and that you can call on Him when you need help.
