Shaving Cream Fun

Materials: shaving cream, disposable plate, plastic spoon and red food coloring. Squirt some shaving cream onto the plate. Say, "In The Big God Story, Elijah was on a mountain and there was wind, an earthquake, and a fire. We're going to have some fun with this shaving cream. First, we're going to blow as hard as we can on the shaving cream to be just like the wind. Now we're going to be a great big earthquake. Can you shake the plate and make the shaving cream shake, shake, shake? Now, let's drip some red food coloring in the shaving cream and mix it up to look red like fire."

• Shake, Rattle and Roll

Materials: Cake pan (9x13), paper, paints, small rocks. Line the pan with a sheet of paper. Squirt two to three drops of paint on the paper. Place a couple of rocks on top of the paper. Say, "Today in The Big God Story, Elijah was on a mountain. A big wind came and blew so hard that the rocks broke. Then an earthquake came and shook them all up! Let's make a painting using rocks. We'll shake the pan and watch the rocks and paint shake around and make a picture. Elijah wasn't afraid when the wind, the earthquake, and the fire came, because God was with him. God is with us every day too!"

• I'm Safe

Materials: masking tape, upbeat worship music. Make an "X" on the floor with the tape and cue music. Say, **"God is our safe place wherever we are, because He is always with us. We're going to play a game. When the music is playing, we're going to dance, bounce, skip, and run around. When the music stops, we all need to go and stand on the big "X" where we'll be safe. Are you ready? Let's move!"**

Read **Psalm 46:1** *God Is our refuge and strength, an ever-present help in trouble.* **(Child's name) God is your safe place. He is with you all day and night.**
