- **Song of Celebration**

Say, "We just heard about God's big love. We can share His love with others, and they can choose to love Him too. Let's worship God together. We can tell Jesus that we will follow Him and love Him." Play a worship song or video and have fun dancing together! Find examples [HERE](#) and [HERE](#).

- **Love Trail**

Using sidewalk chalk, draw hearts in a curvy path on your sidewalk or driveway. Make sure you include your child in the process! Say, "God is love. When I see hearts, it reminds me of His love. Today we are going to follow the path of hearts." Encourage your child to follow the path of hearts and then suggest new ways for them to do so. (walking, hopping, dancing, etc.)

- **A Heart-y Snack**

Prepare a snack **with** your child. Choose something that can be cut into **heart** shapes, such as cheese slices, mini sandwiches, strawberries or cucumbers. Find a great recipe for Jell-o Jigglers [HERE](#). Say, "God loves you. He will fill you with His love. When you have God's love, you can share His love with others."

Blessing:
