## Watch the Video and Discuss!

- Where does The Big God Story begin? (Gen. 1:1)
- Who were the first two people God created? (Gen. 2:7, 20, 22; 3:20)
- What was the one thing God asked Adam and Eve not to do? (Gen. 2:16-17)
- What happened when Adam and Eve chose to sin? (Gen. 3:23)
- What did God do to fix our relationship with Him? (John 3:16)

## Respond

- **Body Twister Game**

Say, **"When God created the world, He created humans like you and me to live in community with each other and with Him. Together, we're a part of the faith community."** Invite your family to work together to play a game of Body Twister where they'll have to connect their body parts to stay in the game. To begin, have family members break up into pairs. Then, call out different body parts to touch (for example, hand to hand or elbow to elbow or hand to knee). After a few more rounds, make it even more difficult by having family members leave parts connected while they try to connect different parts. For example, they could be connected elbow to elbow and then have to connect hand to foot, creating a body twister! The pair to stay connected the longest wins. When you finish playing, discuss: **What was the most challenging part of this activity? Why do you think God made us to live in community with Him and each other?**

## Blessing:

Read Isaiah 41:9-10

**(Child's name) may you know that God is your Redeemer. May you have no fear or worry, but may you know that He's always with you.**
