Throughout history, the Christian church has called nations to days of prayer in times of crises and to thank God for deliverance. And the church continues, there are several calls by different church alliances to call God's people to pray in light of this pandemic.

Global Day of Fasting

The World Evangelical Alliance has designated Sunday, today as a Global Day of Prayer & Fasting amid the ongoing pandemic. We encourage you to pray to God that the crisis will pass quickly.

Join with us;

We believe there is a God who bends his ear to listen, and so we pray:

For the sick and infected: God, heal and help. Sustain bodies and spirits. Contain the spread of infection.

For our vulnerable populations: God, protect our elderly and those suffering from chronic disease. Provide for the poor, especially the uninsured.

For our local, state, and federal governments: God, help our elected officials as they allocate the necessary resources for combatting this pandemic.

For our scientific community, leading the charge to understand the disease and communicate its gravity: God, give them knowledge, wisdom, and a persuasive voice.

For workers in a variety of industries facing layoffs and financial hardship: God, keep them from panic, and inspire your church to generously support them.

For families with young children at home for the foreseeable future: God, help mothers and fathers to partner together creatively for the care and flourishing of their children. For single mothers and fathers, grow their networks of support.

For business leaders making difficult decisions that affect the lives of their employees: God, give these women and men wisdom, and help them to lead self-sacrificially.

For frontline health care workers, we thank you for their vocational call to serve us. We also pray:

- God, keep them safe and healthy. Keep their families safe and healthy.
- God, deliver them from anxiety for their own loved ones (aging parents, children, spouses, roommates).
- God, give them compassion for every patient in their care.
- God, provide for them financially, especially if they fall ill and are unable to work.

God, help Christians in health care to exhibit extraordinary peace, so that many would ask about the reason for their hope. Give them opportunities to proclaim the gospel.

God, we trust that you are good and do good. Teach us to be your faithful people in this time of global crisis. Help us to follow in the footsteps of our faithful shepherd, Jesus, who laid down his life for the sake of love. Glorify his name as you equip us with everything needed for doing your will. Amen.
